Electronic Visa Application System for Restricted Countries

As part of the Jordanian Government's continuous efforts to provide the best experience to clients, the Ministry of Interior has launched the e-Visa Application System where applicants of **restricted countries** can apply to obtain their visa online.

We are pleased to inform you that we have officially launched this service on the Embassy's website as part of the government's continuous efforts towards improving its services.

Note: Please note that we will accept online applications **ONLY** starting from Monday, 18 February 2019 .

Please visit the Embassy **ONLY** if a bank or any other guarantees are required.
